

Seminar on Entrepreneurship in Education (08 - 09/04/2024)

The two-day seminar on “Entrepreneurship in Education,” organized by KIRAS from April 8-9, 2024, provided students with a platform to explore the intersection of education and entrepreneurship. Dr. Rajeev Kumar as a chairperson of the seminar, along with other faculty members of college, oversaw the entire seminar, delivering a brief introduction as an opening. Students presented insights on business plans, successful entrepreneurs, economic growth, and start-up failures. The event featured interactive discussions, case studies, and expert questioning, fostering an entrepreneurial mindset among students. The seminar concluded with a vote of thanks, followed by an open discussion and suggestions for future initiatives.

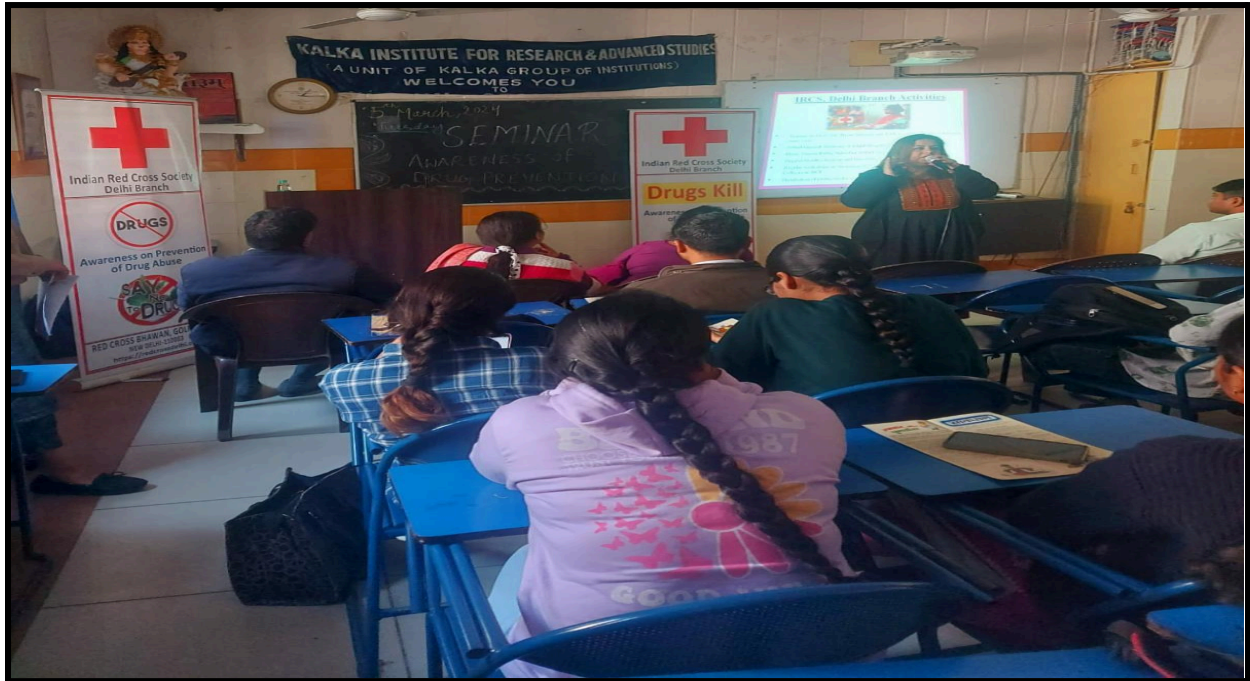

Glimpses of the Seminar

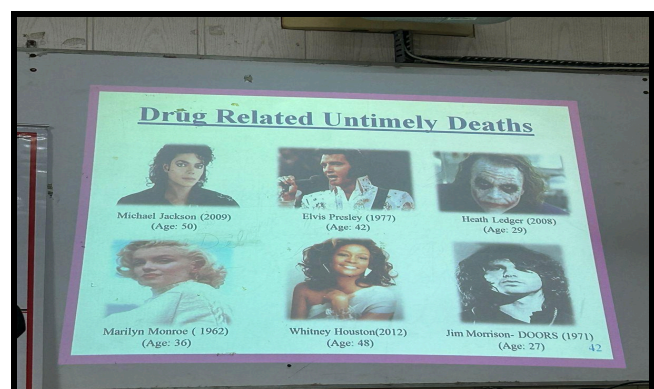

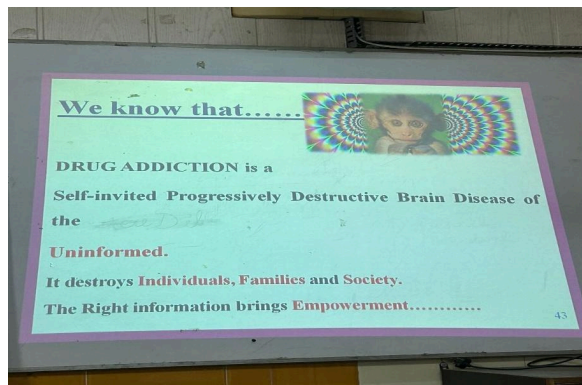

Seminar on Drug Abuse by Red Cross Society in India (11/03/2024)

On 11th March 2024, a seminar on drug abuse awareness was conducted at Kalka Institute For Research and Advanced Studies, sponsored by Red Cross Society of India. The event aimed to educate attendees about the dangers of drug abuse, raise awareness about the prevalence of substance use disorders, and promote preventive measures and support services available for individuals struggling with addiction. The seminar commenced with a keynote address by the speaker Ms. Meenu Salhotra, an expert in the field of addiction medicine emphasizing the importance of understanding the root causes of drug abuse, the psychological and physiological effects of addictive substances, and the societal impact of substance abuse. The seminar included interactive sessions and student engagement activities aimed at facilitating open dialogue and knowledge exchange. Students had the opportunity to share their experiences, concerns, and questions related to drug addiction in a supportive environment.

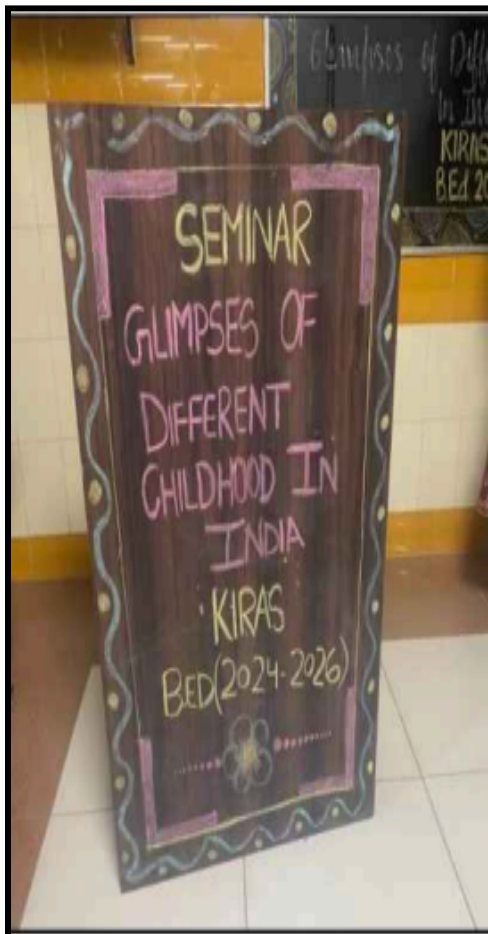

Several presentations were delivered by professionals from various disciplines, including healthcare providers, psychologists, law enforcement officials, and social workers.

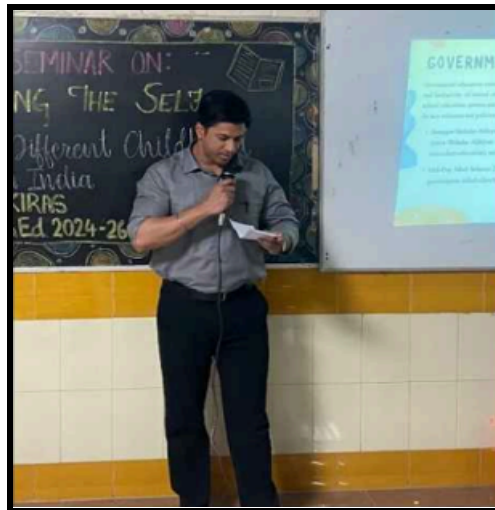

**Seminar on Understanding the Self
Glimpses of Different Childhood in India
(22/10/2024)**

The seminar "**Glimpses of Different Childhoods in India**" at KIRAS provided an insightful discourse on the multifaceted experiences of children across socio-economic strata and varying abilities. Ms. Himani Singh and Dr. Sonia Mojumdar presided over the session, delivering an eloquent introduction and concluding with a formal vote of gratitude. Chairperson of the seminar, Ms. Amita, graced the event with her presence and shared her insight. Esteemed faculty members of the college offered their expertise and mentorship throughout the event. B.Ed. students conducted in-depth interviews and presented nuanced analyses of the challenges encountered by children from lower-income, middle-class, affluent, and differently-abled backgrounds. The seminar underscored the imperative for inclusive education, pedagogical reforms, and empathetic instructional strategies, culminating in a thought-provoking dialogue between students and faculty.
